Jeevan Adhikari (Japs)

Video Editor & Editing Manager / Motion Graphics / Graphic Design

Video editor and creative lead with 10+ years in video production, post-production and graphic design. Since 2024 I have managed the editing team at MarketMaker Mgmt, taking content from raw footage to final delivery while keeping editors on deadline and on brand. My work spans news, documentary, children's and commercial content, backed by a degree in computer applications.

Career timeline

Experience

Video Editor & Video Editing Manager
2024 – Present

MarketMaker Mgmt

- Lead the editing workflow from raw footage to final delivery, managing timelines, priorities and quality control.
- Assign, review and approve the team's edits, giving clear feedback to keep output consistent and on brand.
- Edit key videos personally, including colour correction, sound design, motion graphics and titles.
- Produce video and design content for marketing campaigns, social media and client brands.
- Work with clients, producers and marketing teams to turn briefs into finished web and social content.

Freelance Video Editor
2021 – Present

3 clients: TNN Nepal · Biiyond Production · 25 Hours

- Edit news packages, promotional videos and productions for several media clients.
- Deliver motion graphics and post-production to tight broadcast and online deadlines.

Video Editor & Graphic Designer
2016 – 2021

Nepal Forum of Environmental Journalists (NEFEJ)

- Edited environmental news stories and documentary content for broadcast.
- Designed graphics, titles and visual assets for the organisation's media output.

Video Editor & Graphic Designer
2017 – 2021

NayaPusta (Kids News)

- Edited children's news programmes with engaging, age-appropriate visuals and animation.
- Designed on-screen graphics and branding for the programme.

Immigration Staff & Computer Technician
2017

Tribhuvan International Airport (TIA)

- Supported immigration operations and maintained computer hardware and network systems.
